RICHARD W. WIEKING  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE

Requesting **60** day extention before submitting petitioner traverse which is due April 6<sup>th</sup>, 2008. I had recieved ORDER TO SHOW CAUSE motion, Stamped January 9<sup>th</sup>, 2008. Then on March 10<sup>th</sup>, 2008 I recieved motion from the Attorney General whom is the respondent. The petitioner traverse is due 30 days of his receipt, and the petitioner whom is pro per will not be ready to submit his traverse, on or before April 6<sup>th</sup> 2008.

For insurance the petitioner needs extra sixty days until June 6<sup>th</sup> 2008 for deadline of sending his traverse to Northern District Court. Mr. Hughes needs to continue researching cases that may to be included inside the traverse. Plus the petitioner is PRO PER, I would highly appreciate shall the judge Charles R. Breyer be notified of this letter; request of 60 day extention.

May I please recieve notice if my sixty day stention **GRANTED**, so could show the law librarian are at Corcoran State Prison do have proof of his court dead line.

I declare under penalty of perjury under the laws of the State of California the foregoing is true and correct
